# FROM THE VICE PRESIDENT

## To Our Chapter

We made it! The year is coming to a close and what a wonderful year it has been! Thank you for all of your hard work and dedication to FIMRC's mission this year! We have grown so much and have been able to accomplish more than we ever have before. I am honored to have been a part of this organization alongside so many driven, passionate and selfless individuals. In order to document all of our accomplishments from this year, I have compiled our second annual report. My hope is that current members will be able to reflect on our impact this year, while potential members and donors will be able to see how much of a difference FIMRC makes!

I hope that all of you will remain engaged and an active part of FIMRC because YOU-our members-are the reason we experience the success that we do. I am so proud to have been a part of FIMRC's efforts this year and I am excited to see all that our chapter will continue to do once my time here is through.

Go FIMRC, Go Tigers!

Megan R. Schmalz

Clemson FIMRC Vice President

2014-2015

Local Projects

**\$2,505.00**

International Projects

# LOCAL PROJECTS

This year our chapter spent countless hours volunteering at Helping Hands, a local foster home and Mauldin Miracle League, a baseball league for children with special needs. We also began volunteering with Family Effect, a rehab center for women. We were happy to be able to fund some local projects this year in addition to volunteering our time!

## Helping Hands Supply Donation:

After spending time with the children at Helping Hands our chapter chose to make a donation of supplies and other necessities. Supplies purchased included, paper products, cleaning supplies, personal hygiene items, sunscreen, pajamas, movies and popcorn!

## Helping Hands Christmas Project

For the third year in a row, with the help of Helping Hands, our chapter “adopted” a child from the Clemson Community during the holiday season. We were able to provide Trey with clothes, toys, and other necessities.

# INTERNATIONAL PROJECTS

## Adopt-A-Project: Dominican Republic

Our chapter made two monetary donations of \$525 and \$570 each to the FIMRC Site in the DR. These funds were used to buy the supplies for and construct three latrines and support the program Agentes de Salud. Through the Agentes de Salud program the FIMRC site was able to educate students about local health issues such as STD's, sanitation and chronic disease management.

**\$1,095.00**

## Adopt-A-Project: Nicaragua

Our chapter made a monetary donation of \$1000 to the FIMRC site in Nicaragua in order to support the prenatal program at the local clinic.

**\$1000**

## Adopt-A-Project: Peru

Our chapter made two monetary donations of \$240 and \$170 to the FIMRC site in Peru for the purchase of Adult and Child size practice dummies. In addition, our chapter donated medical supplies for FIMRC clinics and programs.

**\$410.00**

## WE WON AN AWARD! AGAIN!

For the second year in a row we were awarded the **John M. Kennedy Outstanding Service Award** and a check for \$500 from Omicron Delta Kappa.

## CU GO SYMPOSIUM

Clemson FIMRC was invited to participate in the Clemson University Global Outreach Symposium this year. At the event we were able to share about FIMRC and speak to many interested students about what we do. We hope to participate in more events like this one to continue to spread FIMRC's name on campus.

# LOOKING FORWARD

With a new and energetic executive board, growing membership, and our second Winter Trip under our belt, Clemson FIMRC is excited to see what is in store for 2015-2016! Plans are in motion for the coming year with ideas for fundraising incentives; increasing our presence on campus and on social media, as well as expanding Adopt-A-Projects, and much more! This year was truly unforgettable; a year with hard work, great accomplishments, and even greater memories made. Thank you to all of our members for making this year so great!
