# FROM THE PRESIDENT

## To Our Chapter

We made it! The year is coming to a close and what a wonderful year it has been! Thank you for all of your hard work and dedication to FIMRC's mission this year! We have grown so much and have been able to accomplish more than we ever have before. I am honored to have been a part of this organization alongside so many driven, passionate and selfless individuals. In order to document all of our accomplishments from this year, I have compiled our second annual report. My hope is that current members will be able to reflect on our impact this year, while potential members and donors will be able to see how much of a difference FIMRC makes!

I hope that all of you will remain engaged and an active part of FIMRC because YOU-our members-are the reason we experience the success that we do. I am so proud to have been a part of FIMRC's efforts this year and I am excited to see all that our chapter will continue to do once my time here is through.

Go FIMRC, Go Tigers!

# LOCAL PROJECTS

This year our chapter spent countless hours volunteering at Helping Hands, a local foster home and Mauldin Miracle League, a baseball league for children with special needs. We were happy to be able to fund some local projects this year in addition to volunteering our time!

## Helping Hands Christmas Project

For the second year in a row, with the help of Helping Hands, our chapter “adopted” a child from the Clemson Community during the holiday season. We were able to provide the child with clothes, toys, and other necessities.

## Helping Hands Supply Donation:

After spending time with the children at Helping Hands our chapter chose to make a donation of supplies and other necessities. Supplies purchased included, paper products, cleaning supplies, personal hygiene items, sunscreen, pajamas, movies and popcorn!

## Miracle League Donation:

This year our chapter became more involved with Mauldin Miracle League, and as a chapter we wanted to invest more than just our time to the children of the league. We were able to make a monetary donation to the league and are excited to continue our partnership in the coming years!

# INTERNATIONAL PROJECTS

## Adopt-A-Project: Dominican Republic

Our chapter made two monetary donations of \$1,200 each to the FIMRC Site in the DR for the purchase of a portable generator and for the salary of Tonya, the newly employed community health educator in Restauración. In addition our chapter donated \$1,443.53 worth of medical supplies for local clinics and hospitals

**\$3,843.53**

## Adopt-A-Project: El Salvador

Our chapter made a monetary donation of \$350 to the FIMRC site in El Salvador for the purchase of Internet to be used at the project site.

**\$360**

## Adopt-A-Project: Nicaragua

Our chapter made a monetary donation of \$240 to the FIMRC site in Nicaragua for the purchase of water filters for the residents of Limon. In addition, our chapter donated \$477.91 worth of medical supplies for FIMRC clinics and programs.

**\$717.91**

## CU GO SYMPOSIUM

Clemson FIMRC was invited to participate in the Clemson University Global Outreach Symposium this year. At the event we were able to share about FIMRC and speak to many interested students about what we do. We hope to participate in more events like this one to continue to spread FIMRC's name on campus.

# LOOKING FORWARD

With a new and energetic executive board, growing membership, and our first Winter Trip under our belt, Clemson FIMRC is excited to see what is in store for 2014-2015! Plans are in motion for the coming year with ideas for fundraising incentives; increasing our presence on campus, expanding Adopt-A-Projects, and much more! This year was truly unforgettable; a year with hard work, great accomplishments, and even greater memories made. Thank you to all of our members for making this year so great!
